The 18 & Over Women Div I Tri Level schedule is an un-flighted group of twelve teams. A random list of all twelve teams was created using the website random.org. A twelve team scheduler was used and four random rounds of the twelve round scheduler were drawn. The random drawn team list was placed in the scheduler and the randomly drawn rounds of the scheduler were included in the final schedule. This provides all teams with four team matches. The top four teams in the un-flighted round TennisLink standings will advance to a single elimination semi-final and each winner of the semi-final will advance to the final.

All schedules subject to change.
